# Guilty or Not Guilty - what's your verdict?

**HSE-v-Wendy Houses Ltd** and

**HSE-v-Peter Wendy** Director

At **The Sessions Court Room, Hanley Town Hall** sitting at 09.00 on **Wednesday 20th October 2010**

As director or senior manager, your task is to make sure things go right for your business. With the best will, things can go wrong. This mock trial aims to explain what can happen when things go wrong and a worker is injured.

HSE has decided to prosecute not only the employer but also the managing director.

You are invited to the criminal trial in the Magistrates' Court when the company and its director are prosecuted.

As in reality, the Magistrates will judge the case on the facts and arguments presented to them by prosecution and defence lawyers. Guilty or not will be decided on the day.

The event will close with a discussion of the verdict and its implications. There will be the opportunity to question the legal team.
